

Dear Friend,

Your investment through sponsorship makes a difference! Your dollars in support of the 2023 Lutheran Social Services of Indiana Party at the Park help us maximize fundraising and relationship building opportunities at this event.

In turn, we are able to assist those seeking our support to move toward economic and family stability. Here is an example of how we use the contributions from this event:

Jamal came to LSSI for assistance through the Persistence Pays Off program. He was an adult student and 20 years post high school. In his early years, Jamal was involved in gang activity that landed him in prison. After release, he made significant changes and found stability in employment. But, 2 years ago, a work related injury left him unable to continue his job that required physical labor. He decided to enroll in an Organizational Leadership certification program to advance his career. Almost immediately, Jamal struggled to get acclimated to the expectations and demands that come with being a non-traditional student. He was referred to Persistence Pays Off, an LSSI service. Staff gave him the boost and support he needed for stability; money management skills, connection to campus resources and tutoring. Without Persistence Pays Off support, Jamal was planning to leave school. Now, Jamal is on track to graduate this fall. He is doing well in his classes and looks forward to more stability and growth in the coming year!

Party at the Park, our annual fundraiser, will be held on Thursday, October 5 at Promenade Park. Your support of this event will allow individuals and families participating in LSSI programs to:

- **Establish and work toward goals that increase their economic stability**
- **Improve relationships and family stability by building key parenting skills**
- **Understand their individual value and worth which then increases their contribution to the area's workforce**

Party at the Park Sponsors encourage donors to give and helps us to raise support that will bolster services so critically needed by our community members. For your sponsorship (card enclosed), you will receive:

- **Logo prominently displayed throughout the event and on media channels leading up to the event**
- **Frequent thanks and verbal announcements throughout the evening**
- **Special thank you messages on our signage, website, and social media**
- **Philanthropic co-branding with a trusted organization dedicated to making a strong impact**

In a time when needs are so great in our community, will you please make this difference in someone's life today?

If you have questions or would like to discuss sponsorship levels, please contact Gillian Frazier, Development Coordinator, at 260-426-3347, x353. We are so grateful for your partnership and support!
