

Dear Friend,

**Your investment makes a difference! Please consider supporting Lutheran Social Services by a business or family sponsorship of the 2022 Party at the Park.** Your dollars will allow us to maximize fundraising and relationship building opportunities at this annual fall celebration of local impact.

Here is how we will use the contributions from this event:

Erin enrolled in the Lutheran Social Services' ECHO Program (Education Creates Hope and Opportunity) at the start of her junior year in high school when she became pregnant. Her case manager worked to help Erin understand what to expect with pregnancy, how to care for a newborn, and how to define positive relationships in her life. With support from LSSI, Erin now knows how to focus on and balance her academic responsibilities, her job, and, most importantly, care for her son. Erin is on track to graduate and plans to enroll in college in the fall.

Erin is a perfect example of our impact for **Today, Tomorrow, and Forever**. LSSI is helping to prepare our young community members for success in the present and the future. With ECHO case management support, teen parents are more likely to break the cycle of poverty, more likely to receive adequate prenatal care and give birth to a healthy baby, AND more likely to obtain a high school diploma.

Party at the Park, our annual fall fundraiser which increases support for LSSI programs, will be held on **October 6, 2022 at Promenade Park**. Your support of this event will allow program participants in the ECHO Program to:

- Develop long-term life goals
- Assess for and tackle barriers to school success and attendance
- Ensure mother and child health care needs are met

**Party at the Park Sponsors spur on donors and help raise support that bolsters services so critically needed by community members. For your sponsorship (card enclosed), you will receive:**

- **Logo prominently displayed throughout the event and on media channels prior to the event**
- **Frequent thanks and verbal announcements throughout the evening**
- **Special thank you messages on our signage, website, social media, and philanthropic co-branding with a trusted organization dedicated to making a strong impact on our community**

In a time when needs are so great in our community, will you please make a direct impact in someone's life today? If you have any questions or would like to discuss sponsorship levels, please contact Gillian Frazier, Development Coordinator, at 260-426-3347, x353. We are so grateful for your partnership and support!
